**Mercury xRM recognized as finalist for 2019
Microsoft Power Apps Partner of the Year Award
Birmingham, West Midlands, United Kingdom – June 6, 2019**

Mercury xRM today announced it has been named a finalist in the 2019 Microsoft Power Apps Partner of the Year Award. The company was honored among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

“Recruitment and staffing businesses globally are seeking to digitally transform themselves with innovative candidate sourcing, business development, operational efficiency and customer experience,” said Chris Kendrick, CEO and Founder, Mercury xRM. “Together, Microsoft and Mercury xRM are investing in the future of recruitment and staffing businesses and driving the digital transformation they need to advance their organisations and be successful in a highly competitive industry”

“These awards recognise the exceptional relationship Mercury xRM has with Microsoft, as both an industry leader in transforming the efficiency of recruitment and staffing businesses, and as partner to Microsoft as it continues to innovate with its technology stack. I am incredibly proud of the work our team has delivered to help the recruitment and staffing sector implement pioneering technology to transform their businesses. This award demonstrates that leading with technology adoption and strong relationships are the key to success as a partner”

Awards were presented in several categories, with winners chosen from a set of more than 2,900 entrants from 115 countries worldwide. Mercury xRM was recognized for providing outstanding solutions and services in Microsoft Power Apps

“It’s an honor to recognize finalists and winners of the Microsoft 2019 Partner of the Year Awards,” said Gavriella Schuster, Corporate Vice President, One Commercial Partner, Microsoft Corp. “These companies are successfully leading their industries, building intelligent solutions, addressing complex business challenges and making more possible for customers around the world. I’m honored to congratulate each winner and finalist.”

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions during the past year.

About Mercury xRM

Mercury xRM provide an intelligent recruitment solution which embraces the Microsoft stack to help recruitment and staffing businesses worldwide with candidate sourcing and business development using pre-developed vertical IP that provides unmatched capabilities for the recruitment and staffing sector.
